PRSM is committed to providing equal employment opportunity without regard to race, color, religion, gender, sexual orientation, national or ethnic origin, age, disability or status as a veteran with respect to policies, programs, and activities.

Background

The Professionals for Reform Support Mechanism (PRSM) provides human resource support – from managers to technical experts - to critical reform initiatives undertaken by national governmental agencies. PRSM is a multi-donor platform, which improves coordination of donor efforts for greater impact and avoids overlap of donor funding. It does not support routine work of the Government of Ukraine that is normally managed by the civil service. To do this, PRSM: **Selects initiatives** based on clearly defined links to reform initiatives

- Ensures transparent **recruitment** of human resources
- Manages the **contracting** and payment of human resources
- Provides financial **reports** for donors
- **Monitors** initiatives for results.

At the request of a Ministry of Internal Affairs, the PRSM recruits short to medium term local Ukrainian experts and specialists, from outside government, to undertake assignments critical to reform within the Ministry. The PRSM will also pay for limited-term salaries of key positions from within the army of volunteers that currently work without pay on reforms across government ministries.

PRSM is a program of the Ukrainian non-government organization “Foundation for Support of Reforms in Ukraine” (the Foundation).
